The Free Press

www.freepress.org

[Computer Professionals for Social Responsibility](#) - provides the public and policymakers with realistic assessments of the power, promise, and problems of information technology. Creators of the web-based election incident tracking tool, Election Incident Reporting System (EIRS).

[Alliance for Better Campaigns](#) - public interest group seeking to promote higher standards for candidate accountability, media coverage and citizen engagement.

[Alliance for Democracy](#) - seeks to free all people from corporate domination, to establish true democracy, and to create a just society with a sustainable, equitable economy.

[Nov3.us](#) - a call to action to demand an investigation into voting problems in the 2004 election.

[VoteWatch](#) - a repository for voter complaints

[Election Protection](#) - effort to protect voter rights through election day 2004 and beyond.

[Citizens for a Fair Vote Count](#) - dedicated to exposing and combating computerized vote fraud.

[TrueVoteMD.org](#) - a non-partisan group of Maryland citizens dedicated to preserving the integrity of elections.

[Real Campaign Reform \(RCR\)](#) - nonprofit, nonpartisan, educational and citizens' lobbying organization promoting free and open elections, and a robust participatory democracy for all Americans.

[E-Voting Experts](#) – (Election Science Institute) - central source of up-to-date information and insight about e-voting, from leading independent experts on computerized voting technology.

[Citizens' Alliance for Secure Elections](#) - dedicated to secure, reliable and voter-verifiable elections in Ohio.

[FairElections.us](#) - working to bolster the American public's trust in democracy and increase the transparency and fairness of elections.

[Election Guardians](#) - non-partisan, nonprofit organization whose mission is to restore and institutionalize a voting system free of fraud and manipulation

[Recount Ohio](#) - raising awareness and funds for a recount of the Ohio election results.

[Count Every Vote 2004](#) - working to deepen voter engagement with the electoral process by providing the skills and tools needed to protect the franchise in the southeastern region of the United States.

[This Time We're Watching](#) - an organization monitoring elections and fighting for voting rights to prevent another election like 2000.

[Citizens for Accurate Mail Ballot Election Results](#) - believes that mandatory mail voting and mail voter registration fail to protect the public's right to fair and accurate elections, and should be discontinued.

[S.A.V.E. Democracy](#) - a non-partisan group seeking secure, accurate, and verifiable elections, and pushing to replace the current voting systems with same day hand counting of paper ballots.

[HonestVoting.com](#) - proposing solutions to current vote-counting problems.

[Citizens for True Democracy: Advocates for Fair Elections](#) - dedicated to improving the fairness of American elections through improving voter turnout, abolishing the electoral college, and campaign finance reform.

[Election Squad](#) - illustrating the alleged problems with the 2004 election and the voting process.

[Center for Voting and Democracy](#) - studies the impact of voting systems on political representation, proportional representation, voter turnout, and the influence of money in elections.
