Sequoia	Server/Workstation/REport	0.99	N-1-07-22-11-001 (1990) *		
NOTE: As of 12/22/2005 - No Sequoia Systems/Components have been certified to 2002 standards					

NOTE AND CAVEAT: This list is NOT the Official Certification list prepared by the Illinois State Board of Elections. The official list does not specify individual election system components, model numbers, software or firmware versions. This list represents our best estimates of what the Board has or will approve. Interim certification is normally given for a period of two years.
